Wolves Offered Life & Friendship

- IRS Tax Exempt Status Under Section 501(c)(3)
- Colorado Nonprofit & Tax Exempt Corporation
- United States Department of Agriculture, Licensed
- Pet Animal Care Facilities Act, Licensed
- American Sanctuary Association
- Community Shares of Colorado, Member

Mission: To improve the quality of life for wolves and wolf dogs through:

- Rescue -** Save captive-born wolves and wolf dogs in need and find them appropriate placement at a Sanctuary or other qualified site;
- Sanctuary -** Provide a lifelong home at W.O.L.F. in a natural habitat that takes into account each individual's physical, medical & emotional needs;
- Education -** Provide the public with education about the plight of wolves and wolf dogs (both captive-born and wild) to help foster a greater understanding of them and their value.

Letter From The Executive Director

Hello W.O.L.F. Pack!

As we move through Winter, we're thrilled to share some exciting updates and accomplishments from W.O.L.F. Sanctuary! Thanks to your incredible generosity, **we raised nearly \$117,000 during Colorado Gives Day!** This tremendous success will directly support the care of our wolf dogs and help us continue our mission to rescue and provide a safe haven and exceptional care for the animals at the Sanctuary.

Looking ahead, we're gearing up for what promises to be our most exciting event yet - **007: License to Howl Gala!** Mark your calendars for this unforgettable night of casino games, prizes, and mission-driven fun. This will be an evening to remember, all while supporting our work at the Sanctuary.

We invite you to stay connected with W.O.L.F. Sanctuary by following us on social media and subscribing to our emails! Keep up with our latest news, upcoming events, and exciting celebrations—like holiday and birthday treats for our beloved wolf dogs. Looking for other ways to get involved?

- **Book an Educational Event:** Did you know we host off-site educational programs? Let W.O.L.F. Sanctuary bring our mission to you!
- **Become a Lifetime Defender:** If you would like to be the Lifetime Defender for an animal, become a \$100 monthly donor for the duration of their life! You will receive personal updates about the animal, a certificate of defendership, a matted photo, recognition on the animal's webpage, two tickets to our annual fundraiser gala, and all of the regular member gifts as you reach each membership tier.
- **Consider Volunteering:** Whether you want to help with events, outreach, or hands-on projects, we have opportunities for you. We also host workgroups where you'll contribute directly to sanctuary improvement projects and habitat maintenance.

As always, we're deeply grateful for your continued support. Whether attending our events, volunteering your time, or donating, you are the reason we can provide the best possible care for our wolf dogs and take on new rescue opportunities.

Thank you for being part of W.O.L.F. Sanctuary's journey. Together, we are building a brighter future for these extraordinary animals.

Get Involved

Humbly and Gratefully Yours,

Shelley J. Coldiron, PhD

Executive Director, W.O.L.F. Sanctuary

Sanctuary Updates

From Laura Davis, Senior Director of Operations

As is usually the case, it has been a busy time here at W.O.L.F. Sanctuary. There is always much to do to ensure the animals are well cared for and continue our facility improvements, but we are fortunate to have talented contractors, work groups, and volunteers who are willing to share their expertise and their time in helping to get the jobs done!

The Northern Colorado Sawyers continue to be a valued partner in identifying and removing hazardous trees that have died or are in the process of dying. If these trees are not promptly addressed, they can fall on habitat and/or perimeter fencing, leading to damage and a potential "escape pathway" for the animals in our care, not to mention presenting hazards to our staff, volunteers, and animals. The NOCO Sawyers have been to W.O.L.F. several times to remove these trees and eliminate this hazard. We want to extend a special thanks to Scott James, who introduced W.O.L.F. to this group and continues to identify crews to do this work.

Scott James felling a 'hazard' tree at W.O.L.F.

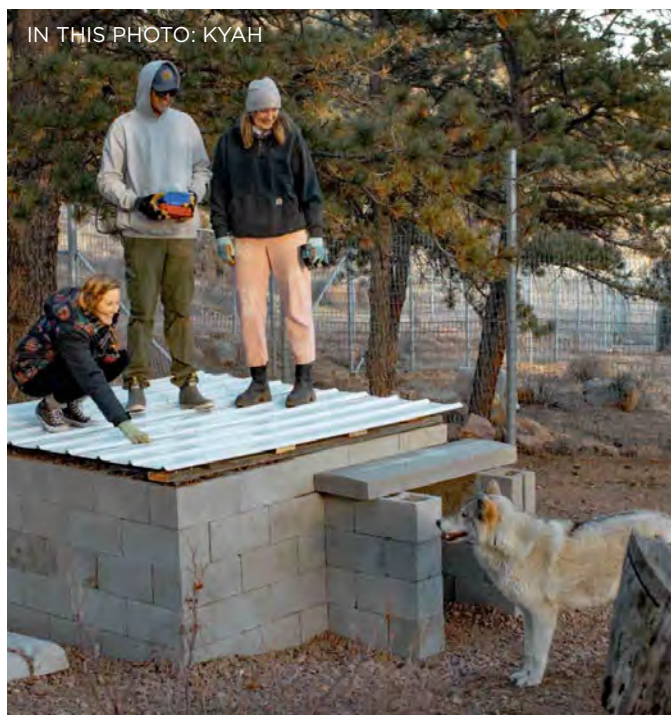

NoCo Sawyers visiting with Pax

Another group that continues to provide significant volunteer contributions is the Larimer County Department of Natural Resources. They came to W.O.L.F. in October for the second year to participate in carving pumpkins and stuffing them with meat for our residents. Subsequently, the group donated their time over several weekends

to build the first doghouse made from cinder blocks. It was constructed in Kyah and Kieran's habitat since they are the perfect "testers" for a doghouse, as they can deconstruct just about anything! We often test new things with this duo because of their unique talents. The doghouse is doing great, and staff/volunteers have seen Kyah and Kieran exiting from it. This doghouse will be used as a prototype for building others in the future.

Larimer County Department of Natural Resources volunteers putting the finishing touches on the dog house

Kyah inspecting the new "digs" for her and Kieran and making sure the roof can handle "wolf weight"

W.O.L.F. is proud to provide top-notch veterinary care for the animals at the Sanctuary. In addition to the excellent care provided by Dr. Teva Stone, W.O.L.F. works closely with Dr. Jess Rychel from Red Sage Integrative Veterinary Partners. Red Sage specializes in providing individualized care for veterinary patients suffering from pain, decreased mobility, illness, or injury. Dr. Rychel, Molly Ward (Veterinary Technician), Dr. Rychel's daughter, Roxie, and Molly's daughter, Maren, recently visited W.O.L.F. to treat Pax, Kira, and Tenali. Their treatments included shockwave, laser therapy, and acupuncture in accordance with their individual needs. We are grateful for the excellent care that our residents get from Dr. Rychel and her team at Red Sage and the positive effect it has on their lives. Shockwave therapy is a non-invasive treatment that utilizes high-energy sound waves to treat patients with pain and/or lameness. It is beneficial for treating some of our residents with osteoarthritis, joint injuries, chronic pain, etc. Laser therapy is also a non-invasive treatment that uses a beam of light tuned to a wavelength that helps to alleviate pain. It can reduce inflammation, promote healing,

and improve the quality of life for those who have issues similar to those where shockwave therapy is used.

Pax receiving treatment from Dr. Rychel and Molly Ward, Veterinary Technician, while Roxie looks on

Pax is all smiles after being treated by Dr. Rychel and Maren

Gracie Burden, W.O.L.F. volunteer, assists Dr. Rychel and Roxie with providing laser therapy for Kira

Dr. Rychel, Molly, and Maren providing Tenali with her treatment(s)

It takes a village! W.O.L.F. volunteers Rose Edelman, Abigail Glessner, Gracie Burden, and Lio Blackwell pose with Kira and Tenali post-treatment, along with Roxie and Maren

007: License to Howl Gala

Get Ready for a Night to Remember: 007: License to Howl Casino Night Gala

The countdown is on for W.O.L.F. Sanctuary's highly anticipated **007: License to Howl** Casino Night Gala on April 5, 2025, at the Marriott, Fort Collins! This James Bond-inspired evening promises excitement, elegance, and purpose as we come together to support the Sanctuary's mission to rescue, rehabilitate, and provide lifelong care for wolf dogs in need.

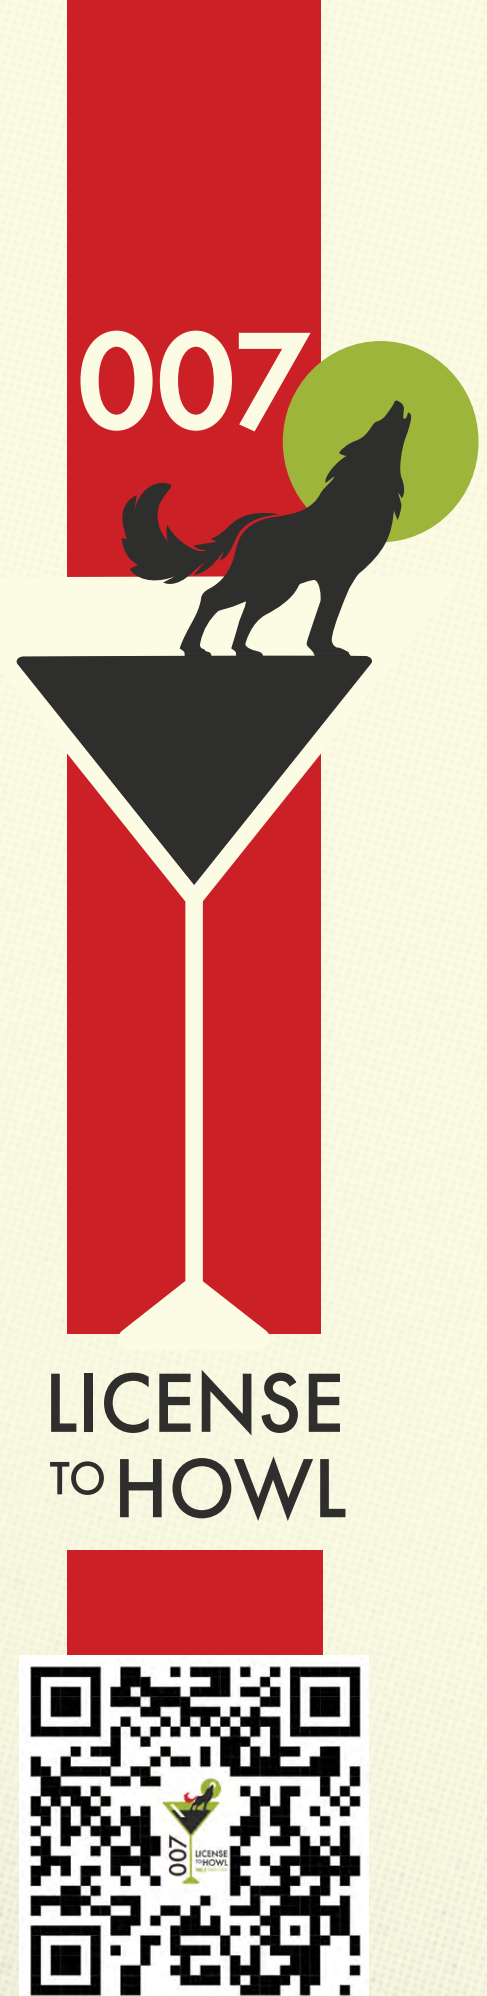

Enjoy the thrill of casino table games, an exciting live and silent auction, and the unique opportunity to meet Pax while sipping on a signature "Pax-tini," and more!

As one of W.O.L.F. Sanctuary's signature fundraising events, this gala is critical to sustaining our work. Proceeds from the evening will directly benefit our wolf dogs by raising funds for:

- Veterinary care to keep our wolf dogs healthy,
- Habitat maintenance to provide safe, comfortable homes,
- Nutrition and enrichment for their well-being, and
- Educational outreach to raise awareness about wolves' vital role in the ecosystem.

General admission tickets are \$100, and VIP tickets are \$175 — and are sure to sell out!

Sponsorships are available. Please contact Olivia Giamanco at ogiamanco@wolfsanctuary.net or 561.389.1394 for more information.

IN THIS PHOTO: NYSA

Iver - Male

Birthday: March 14, 2020
Given Sanctuary: Feb 19, 2021
Companion: Zoey
Guardian Angel: Page Robinson
Lifetime Defenders: Pattie Reber

Likes: Iver loves to spend his days stalking and chasing his neighbors, Topaz and Sapphire. He is especially fond of “mixing it up” with Topaz. He has the unique ability of making himself very small, hiding behind rocks and trees, and then jumping out when Topaz is nearby. He has grown to accept more attention from his caregivers and loves his afternoon meal of raw meat!

Dislikes: Since Iver is shy, he tends to dislike new things and new people until HE feels comfortable.

Fun Fact: Iver is from Washington state and is approximately 89% gray wolf. One of his most striking wolf traits is his beautiful eyes!

Personality: Iver is a bit of a shy guy. He is keenly observant of everything that is going on at the Sanctuary and has, in recent weeks, become more interested in interacting with his caregivers. He loves to relax and soak up the sun and enjoys being with his companion, Zoey.

Zoey - Female

Birthday: April 22, 2014
Given Sanctuary: May 1, 2015
Companion: Iver
Guardian Angel: Laurie Camody
Lifetime Defender: Michelle Hesseltine and Brenda Lewis

- Likes:** Zoey is well-known at the Sanctuary for her love of sunbathing. She finds just the right spot to soak up the sun no matter the season. It is truly one of her favorite pastimes. She also loves to splash in her water trough during the summer months. Her trough is one of the only ones that needs to be changed daily by her caregivers because she uses it so frequently that the water immediately gets dirty. Zoey has a beautiful "singing voice" and loves to engage in howling "the song of her people" with her fellow wolf dogs.
- Dislikes:** Zoey dislikes when caregivers drain and turn her water trough upside down for the season!
- Fun Fact:** Zoey is one of the highest-content animals that resides with W.O.L.F. and is almost 95% gray wolf.
- Personality:** Zoey is very curious and observant of all that goes on in and around the habitat she shares with Iver. She loves her Red Feather Lakes home and has several favorite spots to lounge in the sun and enjoy the day. She and Iver like to engage in fence conversations with their neighbors, Sapphire and Topaz. She is beginning to interact more with her caregivers, giving her coveted scent rubs.

2024 Donor Spotlight

We extend our heartfelt gratitude to all our incredible donors for your generous support throughout 2024. Your contributions have been instrumental in helping W.O.L.F. Sanctuary rescue, care for, and provide a safe haven for wolf dogs in need. Thanks to your kindness, we've expanded our efforts, enhanced our facilities, and continued our mission of education and advocacy for these magnificent creatures in 2024. We are honored to acknowledge your unwavering support in our newsletter and look forward to sharing the impact of your generosity throughout the upcoming year.

We could really use your help stocking our shelves. Weruva canned food is a huge part of our animals' daily diet, and right now, our supplies are running low, especially on chicken and steak-flavored meals (the kiddo's favorite).

If you'd like to support them, the easiest way is to shop our Chewy wish list. Every donation ensures our pack stays healthy and happy with high-quality food! Thank you for helping us care for these incredible animals. Scan the QR Code to visit our Chewy page.
